

## Football (soccer) coach - people with disability

The squad has 35 players with a disability (20 children and 15 adults), the majority of whom have autism, developmental delay or physical disability.

We are looking for a mature, friendly and reliable person to work 2 hours per week during the school term to run a weekly training session alongside volunteers for our junior (7-13yo) and senior (14+) teams.

Having played football is not a requirement but as the role involves running a reasonable level of fitness is required.

A working with children check is a requirement of this role.

The sessions run weekly (Wednesdays) during school term from 4.30-6pm at Matraville Sports High School (sports hall).

The pay is \$65 per hour plus \$10 for travel.

You will get a lot of personal satisfaction and enjoyment from the role, develop new skills, and know that you'll be making a big difference to people's lives.

To apply, simply drop us an email ([purplehearts@gmail.com](mailto:purplehearts@gmail.com)) with a brief outline of what interests you in the role and how you feel you can contribute.

If you have any questions about the role, call Ben Folino 0419 973 631 or email [purplehearts@gmail.com](mailto:purplehearts@gmail.com).
